Named ONE OF THE TOP TEN COLLEGES IN THE NATION by the prestigious Aspen Institute three times, including being recognized as one of the Top Three Community Colleges in 2017, **Broward College** offers affordable, accessible education. Its diverse community boasts more than 63,000 students and over 5,000 faculty and staff, represents 150 countries, and provides a wealth of cultural, ethnic, and experiential backgrounds.

The College is located in beautiful Broward County, with campuses and centers just minutes from some of South Florida's best beaches, vibrant arts and culture amenities, exciting events and one-of-a-kind restaurants.

As a member of the first cohort of 30 community colleges across the nation selected to implement and serve as a best practices model for the Guided Pathways Model, Broward College has organized its 145 programs in eight career pathways, which include specialized certificates, two- and four-year degrees, non-degree training, workforce readiness, and an extensive list of continuing education curricula.

Broward College is part of The Florida College System (FCS), a network of twenty-eight institutions.
