

## Sample Ballot - Ocean Exchange 2022

At Ocean Exchange 2022 three \$100,000 USD awards were presented via pitches on two stages. The Neptune Award presented on one stage, and the WW Orcelle Award and Transportation Hub Award (aka Ports Award) presented together on the other stage. One finalist (Whale Seeker) pitched on both stages.

Final ballot inclusion is determined at the event, and subject to change due to many factors. Below you will find the complete list of finalists numbered in presentation order, and the final ballots that were voted on at the Fort Lauderdale event in October, 2022.
