Innovation - Impact - Execution

WW Orcelle® Award 2023

is sponsored by [Wallenius Wilhelmsen](https://wallenius.com). This award reflects the company's statement of purpose, "sustainable logistics for a world in motion." The Award will be presented to the innovation that holds the greatest potential to close the gap to our zero emissions ambition for either our land or ocean operations.

Innovation Award for Transportation/Logistics Hubs 2023

is given to the solution that advances ocean-, inland-, and air- PORTS and other logistics HUBS. Seeking innovations that make ports/hubs more sustainable with technologies that support clean water & air, conservation of precious natural resources near ports/hubs, efficient road/rail/warehousing supporting the ports, and state of the art sustainable port-hub land management.

Neptune Award 2023

is given to the solution that advances our understanding of the ocean and that helps minimize our impact on these resources, even while using them for human benefit, resulting in more resilient bodies of water including healthy marine life and coastlines.
