

COLLEGIATE CALL FOR SOLUTIONS 2024

\$10,000 USD Non-Dilutive Award

The Ocean Exchange Collegiate Award of \$10,000 USD is given to the solution that advances our understanding of the ocean and helps minimize our impact on these resources, even while using them for human benefit, resulting in more resilient bodies of water including healthy marine life and coastlines.

Deadline for Entries: 11:59pm GMT, Monday, September 24th

Exchange Dates: October 27th - 29th in Fort Lauderdale, FL

INNOVATION – IMPACT – EXECUTION

Eligibility Requirements:

- Applicants or teams must include at least one student in the leadership team (ie c-suite). The student must be currently enrolled in a graduate or undergraduate post-secondary program, or a recent graduate (2024 year).
- Applicants or teams must be from a North American post-secondary institution.
- The student applicant must be the presenter at Ocean Exchange.
- Travel will be provided for the student presenter from a North American destination to the event.

OCEAN
EXCHANGE

A collaboration between Ocean Exchange and the Marine Technology Society.

Ocean Exchange is a global ecosystem whose mission is to accelerate the adoption of innovative solutions for healthy oceans and the sustainable blue economy. A 501©(3), we fulfill this mission through a multi-level program that includes annual awards; promoting solutions across multiple communication channels; and facilitating access to the global ecosystem that is comprised of our Board, delegates at our event, our solutions review team and of course our 12 year history of winners, finalists and semi-finalists.
